PROXY STATEMENT

Annual Meeting, July 26, 2006

General Information This Proxy Statement was mailed on or about June 22, 2006, to the shareholders of STERIS Corporation (“STERIS” or the “Company”) of record as of the close of the stock transfer books on June 2, 2006. This Proxy Statement is provided in connection with the solicitation

by the Board of Directors of the enclosed form of proxy for the 2006 Annual Meeting of Shareholders to be held at 9:00 a.m., Eastern Daylight Saving Time, on Wednesday, July 26, 2006, at the Renaissance Quail Hollow Resort, 11080 Concord-Hambden Road, Concord, Ohio, USA. Pursuant to the Ohio General Corporation Law, a shareholder may revoke a writing appointing a proxy by giving notice to the Company in writing or in open meeting, or by submitting a subsequent proxy. The cost of soliciting the proxies will be borne by the Company. In addition to solicitations by mail, the Company may solicit proxies in person, by telephone, fax, or e-mail. STERIS has engaged a professional proxy solicitation firm, Georgeson Shareholder Communications, Inc. (“Georgeson”), to aid in the solicitation of proxies. The Company will pay Georgeson a fee of approximately \$8,000 for its base shareholder meeting services, including solicitation of ADP, brokers, banks and institutional holders and delivery of executed proxies. Additional shareholder meeting services may be contracted for additional fees.

Voting Securities As of the record date set by the Board of Directors (June 2, 2006), the Company had 65,823,731 Common Shares outstanding and entitled to vote at the 2006 Annual Meeting, each of which is entitled to one vote. Under the Ohio General Corporation Law, the shares

may be voted cumulatively in the election of directors if (a) notice in writing is given by a shareholder of record to the President, a Vice President, or the Secretary of the Company not less than 48 hours before the time fixed for holding the meeting that the shareholder desires the voting in the election to be cumulative and (b) an announcement of the giving of the notice is made upon the convening of the meeting by the Chairman or the Secretary or by or on behalf of the shareholder giving the notice. If cumulative voting is in effect, each shareholder will have the right to cumulate the shareholder’s votes and to give one nominee a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the shareholder’s shares are entitled, or the shareholder may distribute the shareholder’s votes on the same principle among two or more nominees. In the event of cumulative voting, unless contrary instructions are received, the persons named in the enclosed proxy will vote the shares represented by valid proxies on a cumulative basis for the election of the nominees listed on pages 3 and 4, allocating the votes among the nominees in accordance with their discretion.

Common Shares represented by properly executed proxies will be voted in accordance with the specifications made thereon. If no specification is made, proxies will be voted FOR the election of the nominees named in this Proxy Statement, FOR approval of the equity incentive plan, and FOR the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm. Abstentions and broker non-votes are tabulated in determining the votes present at a meeting for purposes of determining a quorum. Director nominees receiving the greatest number of votes cast will be elected as directors provided a quorum is present at the meeting in person or by proxy. Accordingly, an abstention or a broker non-vote will have no effect with respect to the election of a director nominee. On any proposal requiring approval by a specified percentage of the Company’s Common Shares that are outstanding or that are present at the meeting, an abstention or a broker non-vote will have the same effect as a vote against approval of the proposal, as each abstention or broker non-vote will be one less vote for the proposal. An abstention or broker non-vote will have no effect on any proposal requiring only a majority of the votes cast as the abstention or broker non-vote will not be counted in determining the number of votes cast.

Purposes of Annual Meeting The Annual Meeting has been called for the purposes of (1) electing eleven directors to serve until the Company's 2007 Annual Meeting of Shareholders, (2) approving the STERIS Corporation 2006 Long-Term Equity Incentive Plan, (3) ratifying the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2007 and (4) transacting such other business as may properly come before the meeting.

The persons named in the enclosed proxy have been selected by the Board of Directors and will vote shares represented by valid proxies. They have indicated that, unless otherwise specified in the proxy, they intend to vote to elect as directors the eleven nominees listed on pages 3 and 4, to approve the STERIS Corporation 2006 Long-Term Equity Incentive Plan, and to ratify the appointment of Ernst & Young LLP.

Election of Directors STERIS's Board of Directors was declassified by a vote of the shareholders at the 2004 Annual Meeting that amended the Company's Code of Regulations to provide for the elimination of the classification of the Board. As a result, all directors will be elected each year beginning with this year's Annual Meeting.

- **PROPOSAL 1:** To elect Cynthia L. Feldmann, Stephen R. Hardis, Jacqueline B. Kosecoff, Raymond A. Lancaster, Kevin M. McMullen, J. B. Richey, Mohsen M. Sohi, Les C. Vinney, John P. Wareham, Loyal W. Wilson, and Michael B. Wood as directors for terms expiring at the 2007 Annual Meeting of Shareholders.

Messrs. McMullen, Wareham and Wilson were last elected as directors by the shareholders at the 2004 Annual Meeting for terms expiring at the 2006 Annual Meeting. Ms. Feldmann, Drs. Kosecoff, Sohi and Wood and Messrs. Hardis, Lancaster, Richey and Vinney were last elected as directors by the shareholders at the 2005 Annual Meeting for terms expiring at the 2006 Annual Meeting.

The Board of Directors has no reason to believe that any of the nominees will be unable to serve as a director. In the event, however, of the death or unavailability of any nominee or nominees, a proxy with a vote for such nominee or nominees will be voted for such other person or persons as the Board of Directors may recommend unless the Board of Directors, in response to the death or unavailability, chooses to reduce the number of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF CYNTHIA L. FELDMANN, STEPHEN R. HARDIS, JACQUELINE B. KOSECOFF, RAYMOND A. LANCASTER, KEVIN M. MCMULLEN, J. B. RICHEY, MOHSEN M. SOHI, LES C. VINNEY, JOHN P. WAREHAM, LOYAL W. WILSON, AND MICHAEL B. WOOD.

Approval of STERIS Corporation 2006 Long-Term Equity Incentive Plan

The Board of Directors has considered and approved, subject to the approval of STERIS's shareholders, the STERIS Corporation 2006 Long-Term Equity Incentive Plan. The Board believes that the ability to attract and retain outstanding directors, executives and other key employees is critical to the continuing success of STERIS and that the ability to grant equity incentives as part of compensation is important to the achievement of this objective.

- **PROPOSAL 2:** To approve the STERIS Corporation 2006 Long-Term Equity Incentive Plan.

The Board of Directors has considered and approved and recommends that the shareholders approve the STERIS Corporation 2006 Long-Term Equity Incentive Plan (the "Plan") pursuant to which the Company may grant equity incentives to directors and employees of STERIS and its subsidiaries. The Board believes that the ability to attract and retain outstanding directors, executives and other key employees is critical to the continuing success of STERIS and that the ability to grant equity incentive compensation is important to the achievement of this objective. The Board also believes that the proposed Plan, along with the recently adopted stock ownership guidelines for senior management, will allow STERIS to continue to provide directors and key employees a significant identity of interest with STERIS shareholders.

As noted in the table set forth on page 21 below, as of March 31, 2006, the Company had approximately 3,300,000 Common Shares available for grants under its five existing shareholder approved option and equity compensation plans. The Board is seeking shareholder approval of the Plan at the Annual Meeting to (i) ensure that it can continue, without interruption, its annual practice of granting equity incentives to directors and a broad range of key employees, (ii) allow for greater flexibility and linkage to Company performance in the design of incentive awards, and (iii) reduce complexity and administration created by multiple plans. Approval of the Plan will result in 6,600,000 Common Shares available for equity grants under the Plan of which, subject to such overall total limitation, up to 5,000,000 Common Shares may be granted in connection with nonqualified stock options or incentive stock options, up to 1,600,000 Common Shares may be granted in connection with restricted stock and restricted stock units and up to 1,600,000 Common Shares may be granted in connection with performance shares and performance units and other awards. If this Plan is approved by the Shareholders, no additional grants will be made from any of the existing shareholder approved option and equity compensation plans.

The following summary is a brief description of the Plan. This summary is qualified in its entirety by reference to the Plan and is to be interpreted solely in accordance with the Plan, a copy of which is attached as Appendix A to this Proxy Statement.

Plan Features / Limitations

The Plan authorizes equity-based compensation in the form of stock options, stock appreciation rights ("SARs"), restricted stock, restricted stock units, performance shares and performance units and other equity-based awards for the purpose of attracting and retaining the Company's non-employee directors, officers and employees, and providing incentives and rewards for superior performance. Some of the key features of the Plan that reflect the Board's commitment to effective management of incentive compensation are set forth below and are described more fully under the heading "Summary of the Plan" and in the Plan, which is attached to this Proxy Statement as Appendix A.

- **Plan Limits.** Total awards under the Plan are limited to 6,600,000 Common Shares. The Plan also limits the number of Common Shares that can be issued in connection with stock options to no more than 5,000,000, the number of Common Shares that can be issued in connection with restricted stock and

restricted stock units to no more than 1,600,000 and the number of Common Shares that can be issued in connection with performance shares, performance units and other share-based awards to no more than 1,600,000, all subject to the overall total limit of 6,600,000 Common Shares. The Plan also limits the aggregate number of stock options and SARs that may be granted to any one participant in a calendar year to 1,000,000 Common Shares and the aggregate number of shares of restricted stock or restricted stock units subject to the achievement of specified “management objectives” (as discussed below), performance shares, performance units or other awards under Section 10 of the Plan that may be granted to any one participant in a calendar year to 500,000 Common Shares (or, in the case of performance units, the cash equivalent thereof based on the market value per share on the date of grant).

- **No Liberal Recycling Provisions.** The following Common Shares will not be added back to the aggregate plan limit: (1) Common Shares tendered in payment of the option price; (2) Common Shares withheld by STERIS to satisfy the tax withholding obligation; and (3) Common Shares that are repurchased by STERIS with option right proceeds. Further, all shares covered by a SAR, to the extent that it is exercised and settled in shares, and whether or not shares are actually issued to the participant upon exercise of the right, will be considered issued or transferred pursuant to the Plan. The Plan provides that the number of Common Shares underlying awards that expire or are forfeited will not reduce the number of Common Shares available for issuance under the Plan.
- **No Repricing.** STERIS has never repriced underwater stock options or SARs, and repricing of options and SARs is prohibited without shareholder approval under the Plan.
- **Exercise Price Limit.** The Plan also provides that no stock options or SARs will be granted with an exercise or base price less than the fair market value of STERIS Common Shares on the date of grant.
- **Delegation.** The Board has paramount authority for administration of the Plan. Most of this authority will be delegated to the Board’s Compensation and Corporate Governance Committee (consisting of only independent directors). Pursuant to such delegation, the Compensation and Corporate Governance Committee will have the powers and authority of the Board as described herein. References in this description of the Plan to the “Board” include the Compensation and Corporate Governance Committee, as appropriate. The Plan also permits certain delegations to be made to or by the Chief Executive Officer.

Summary of the Plan

Shares Available Under the Plan. As stated above, subject to adjustment as provided in the Plan, the number of STERIS Common Shares that may be issued or transferred under the Plan:

- upon the exercise of option rights and SARs;
- in payment of restricted stock and released from a substantial risk of forfeiture thereof;
- in payment of restricted stock units;
- in payment of performance shares or performance units that have been earned;
- as awards to non-employee directors;
- as other awards contemplated by the Plan; or
- in payment of dividend equivalents paid with respect to awards made under the Plan,

will not exceed in the aggregate 6,600,000 Common Shares. Common Shares issued under the Plan may be shares of original issuance or treasury shares or a combination of the foregoing.

The total number of Common Shares available under the Plan as of a given date will not be reduced by any Common Shares relating to prior awards that have expired or have been forfeited or cancelled. Notwithstanding anything to the contrary contained in the Plan:

- If Common Shares are tendered or otherwise used in payment of the option price of an option right, the total number of Common Shares covered by the option being exercised will reduce the aggregate Plan limit.
- Common Shares withheld by STERIS to satisfy the tax withholding obligation will count against the aggregate Plan limit.
- The number of Common Shares covered by an appreciation right, to the extent that it is exercised and settled in Common Shares, and whether or not Common Shares are actually issued to the participant upon exercise of the right, will be considered issued or transferred pursuant to the Plan.
- In the event that STERIS repurchases Common Shares with option right proceeds, those Common Shares will not be added to the aggregate Plan limit.

The limits contained in the Plan are subject to certain adjustments as provided in the Plan in the event of stock splits, stock dividends, recapitalizations and certain other events.

Eligibility. Non-employee directors, officers and other employees of STERIS and its subsidiaries (including persons who have agreed to commence serving in any of those capacities within 90 days of the date of a grant) may be selected to receive benefits under the Plan. There were approximately 800 current directors, officers and employees eligible as of June 21, 2006. Selections are made and grants determined by the Board or by the Chief Executive Officer of his delegates, as applicable. However, all determinations in respect of directors and “officers,” within the meaning of Exchange Act Rule 16a-1(f) (“Section 16 Officers”), and persons subject to Section 162(m) of the Internal Revenue Code (“Section 162(m) Persons”) are required to be made by the Board.

Types of Awards Authorized. The Plan provides for the granting of dividend equivalents, option rights, SARs, restricted stock, restricted stock units, performance shares, performance units, awards to non-employee directors and other awards that may be denominated or payable in, valued in whole or in part by reference to or otherwise based on or related to, the Company’s Common Shares or factors that may influence the value of its Common Shares. Awards granted under the Plan will be upon such terms as may be approved by the Board (or its delegate) and set forth in an evidence of award. An evidence of award will contain such terms and provisions, consistent with the Plan, as the Board (or its delegate) may approve. Stock options and SARs will not be granted with an exercise price or base price, as the case may be, less than the market value per share. The closing market price of STERIS Common Shares as reported on the New York Stock Exchange on June 21, 2006 was \$21.65. Generally, no option right or SAR may be exercisable more than 10 years from the date of grant.

Each grant of an award will specify the period of continuous service or other conditions that must be satisfied before the award is exercisable, vested or earned. Restricted stock and restricted stock units that vest upon the passage of time must be subject to restrictions for a period determined by the Board (or its delegate) at the date of grant. The specified performance period relating to performance shares and performance units will be a period of time determined by the Board (or its delegate) at the date of grant.

Grants of option rights, SARs, restricted stock or restricted stock units may provide for the earlier vesting or termination of restrictions relating to such award in the event of the retirement, death or disability of a participant and, unless otherwise provided in the applicable evidence of award, will provide for earlier vesting or termination of restrictions relating to such award in the event of a change in control of the Company. The performance period relating to any grant of performance shares or performance units may be subject to earlier lapse or modification in the event of the retirement, death or disability of a participant and, unless otherwise provided in the applicable evidence of award, will be subject to earlier lapse or modification in the event of a change in control of the Company.

The Board may, in its discretion, authorize the granting to non-employee directors of option rights, SARs or other awards under the Plan and may also authorize the grant or sale of Common Shares, restricted stock or restricted stock units to non-employee directors. Non-employee directors are not eligible to receive performance shares or performance units under the Plan. Each grant of an award to a non-employee director will be on such terms and conditions as approved by the Board and will be reflected in an evidence of award in such form as will be approved by the Board.

Management Objectives. Under the Plan, the Board (or its delegate) must establish “management objectives” for purposes of performance shares and performance units. When so determined, option rights, SARs, restricted stock, restricted stock units, and other awards under the Plan or dividend credits may also specify management objectives. Management objectives may be described in terms of either company-wide objectives or objectives that are related to the performance of the individual participant or a subsidiary, segment, business unit, team, division, department, region or function within STERIS or a subsidiary in which the participant is employed. The management objectives may be based on the performance of STERIS relative to the performance of other companies, businesses or industries. Management objectives applicable to any award to a participant who is, or is determined by the Board (or its delegate) likely to become, a “covered employee” within the meaning of Section 162(m) of the Internal Revenue Code that is designated by the Board (or its delegate) as intended to satisfy the requirements for “qualified performance-based compensation” under Sections 162(m) of the Internal Revenue Code, will be limited to specified levels of or growth in one or more of the following: cash flow; cost of capital; cost reduction; customer service; debt reduction or leverage ratio; earnings and earnings growth (including earnings per share and earnings before interest and taxes (EBIT) and earnings before interest, taxes, depreciation and amortization (EBITDA)); economic value added; total shareholder return and improvement of shareholder return; inventory management; margins, including gross margin, EBIT, EBITDA and net income; market share; market value added; net income; productivity improvement; profit after taxes; project execution; quality; recruitment and development of associates; reduction of fixed costs; return on assets; return on equity; return on invested capital; return on total capital; revenue and revenue growth; sales and sales growth; successful start-up of new facility; successful acquisition, divestiture or other special project; unit volume; and working capital, including, but not limited to, inventory turns and days sales outstanding.

Exercise of Awards after Termination of Service. Unless otherwise provided in an evidence of award, the following rules will apply to awards under the Plan after a participant’s service with STERIS is terminated:

Termination other than upon Qualifying Retirement, Death or Disability or for Cause. A vested stock option or SAR must be exercised during the three months following termination of service, except in the event of qualifying retirement, disability, or death, but not later than the expiration of the option or SAR. Upon any such termination of service, restricted stock for which a participant paid an acquisition price and with respect to which restrictions, conditions or contingencies have not lapsed as of the participant’s termination date shall be offered by the participant to STERIS for resale at the acquisition price, except as otherwise provided in the applicable evidence of award. In addition, upon any such termination of service, restricted stock for which a participant did not pay an acquisition price, restricted stock units, performance shares, performance units, and any other award granted with respect to which restrictions, conditions or contingencies have not lapsed as of the participant’s termination date shall be forfeited, except as otherwise provided in the applicable evidence of award. The treatment of employees terminated for cause (as defined in the Plan) is described below.

Qualifying Retirement. Generally, if a participant retires from STERIS after having attained age 55 and having been in the service of STERIS for at least five consecutive years with requisite consents or approvals and without having engaged in any Detrimental Activity, stock options, SARs, restricted stock, restricted stock units, performance shares, performance units and other awards held by the participant at the date of retirement will continue to vest as though the participant remained in the service of the Company through the fifth anniversary of the date of retirement provided the participant remains in good standing (as defined in the Plan). A vested stock option or SAR may be exercised starting on the date of retirement and ending on the first to occur of (1) the expiration date of the relevant award and (2) the fifth anniversary of the date of retirement. If a participant fails to remain in good standing, any outstanding stock options and SARs shall be forfeited.

Disability. If a participant's service with STERIS is terminated due to disability, a stock option or SAR may be exercised within a period of one year following such termination of service, but not later than the expiration of the option or SAR. In that event, restricted stock for which a participant paid an acquisition price and with respect to which restrictions, conditions or contingencies have not lapsed as of the participant's termination date shall be offered by the participant to STERIS for resale at the acquisition price, except as otherwise provided in the applicable evidence of award. Furthermore, restricted stock for which a participant did not pay an acquisition price, restricted stock units, performance shares, performance units, and any other award granted with respect to which restrictions, conditions or contingencies have not lapsed as of the participant's termination date shall be forfeited, except as otherwise provided in the applicable evidence of award.

Death. Upon the death of a participant, if a non-qualified stock option or SAR has not expired prior to the participant's death and would otherwise expire before the first anniversary of the participant's death, the expiration date of the award shall be extended to the first anniversary of the participant's death. Any stock options or SARs that are outstanding on the date of a participant's death shall become immediately exercisable and the participant's representative may exercise the stock option or SAR within a period of one year after the participant's death. Restrictions, conditions or contingencies on any restricted stock, restricted stock units, performance shares, performance units and any other award held by the participant at his or her date of death shall be modified by the Board (or its delegate) to give the participant's representative the benefit of those awards through the date of death.

Cause. Upon an employee's termination for cause (as defined in the Plan), any unexercised stock options and SARs shall immediately expire; restricted stock for which a participant paid an acquisition price and with respect to which restrictions, conditions or contingencies have not lapsed as of the participant's termination date shall be offered by the participant for resale to STERIS at the acquisition price; and restricted stock for which a participant did not pay an acquisition price, restricted stock units, performance shares, performance units, and any other award granted with respect to which restrictions, conditions or contingencies have not lapsed as of the participant's termination date shall be forfeited.

Administration and Amendments. In general, the Plan is to be administered by the Board, except that the Board has the authority to delegate its powers under the Plan to the Compensation and Corporate Governance Committee, to another committee of the Board (or a subcommittee thereof), or to one or more officers of the Company. The Chief Executive Officer or his delegates are authorized by the terms of the Plan to take certain actions. The Board will delegate most of the administration of the Plan to its Compensation and Corporate Governance Committee. The Compensation and Corporate Governance Committee is authorized to interpret the Plan and related agreements and other documents with respect to all directors and Section 16 Officers and Section 162(m) Persons. However, any director whose specific rights under the Plan are the subject of any interpretation by the Board (or its delegate) shall not take part in or contribute to such interpretation, conclusion or determination. With respect to all participants in the Plan other than directors and Section 16 Officers and Section 162(m) Persons, the Chief Executive Officer (or his delegate) of STERIS is authorized to interpret the Plan and any related agreement, notification or document. The Board may amend the Plan from time to time without further approval by the Company's shareholders, except where the amendment: (1) would materially increase the benefits accruing to participants under the Plan; (2) would materially increase the number of securities which may be issued under the Plan, (3) would materially modify the requirements for participation in the Plan or (4) must otherwise be approved by the shareholders of the Company in order to comply with applicable law or rules, including rules of the principal national securities exchange upon which the Common Shares are traded or quoted.

In the case of termination of employment by reason of death, disability, retirement or in the case of unforeseeable emergency or other special circumstances of or relating to a participant, the Board (or its delegate) may in its sole discretion accelerate the time at which awards may be exercised, the time at which the substantial risk of forfeiture or prohibition or restriction on transfer will lapse or terminate, or the time at which performance shares or performance units will be deemed to have been fully earned or may waive any other limitation or

requirement under any award, except in the case of a “covered employee” where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Internal Revenue Code.

Change in Control. Upon a change in control of STERIS, except as otherwise provided in the applicable evidence of award, any awards that are outstanding as of the date of the change in control that are subject to vesting requirements and that are not then vested, will become fully vested and immediately exercisable and all restrictions and other conditions prescribed by the Board (or its delegate), if any, with respect to awards granted pursuant to the Plan will lapse, expire or terminate and all such awards will be deemed to be fully earned. The events giving rise to a change in control will be those set forth in the Plan attached as Appendix A to this Proxy Statement, or, if a different definition of change in control is contained in the applicable evidence of award, will be those events set forth in the applicable evidence of award.

Transferability. Except as otherwise determined by the Board (or its delegate), no award granted under the Plan is transferable by a participant except, upon death, by will or the laws of descent and distribution, and in no event shall an award granted under the Plan be transferred for value. Except as otherwise determined by the Board (or its delegate), option rights and SARs are exercisable during the optionee’s lifetime only by him or her or by his or her guardian or legal representative.

Adjustments. The number of shares authorized under the Plan, subject to various limits contained in the Plan, covered by outstanding awards under the Plan and, if applicable, the prices per share applicable to such awards, may be adjusted in the event of stock dividends, stock splits, combinations of shares, recapitalizations, mergers, consolidations, spin-offs, split-offs, spin-outs, split-ups, reorganizations, liquidations, issuances of rights or warrants, and similar events. In the event of any such transaction or event or in the event of a change in control of the Company, the Board, in its discretion, may provide in substitution for any or all outstanding awards under the Plan such alternative consideration, if any, as it, in good faith, may determine to be equitable in the circumstances and may require the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the number of shares available under the Plan and the other limitations contained in the Plan as the Board may determine appropriate to reflect any transaction or event described above.

Detrimental Activity. Any grant may provide that if a participant, either during employment by STERIS or a subsidiary or within a period of two years (or such other period as may be specified in the applicable evidence of an award) after termination of employment, engages in any “detrimental activity,” as defined in the Plan, the participant may be required to forfeit any awards granted under the Plan then held by the participant or, in the sole and complete discretion of the Company, return to STERIS, in exchange for payment by STERIS of any amount actually paid for the Common Shares by the participant, all Common Shares that the participant has not disposed of that were offered, acquired or paid out pursuant to or in connection with the Plan within a period of two years (or such longer period as may be specified in the evidence of award) prior to the date of the commencement of the detrimental activity or during or after the detrimental activity. With respect to any Common Shares acquired or paid out under the Plan within two years (or such longer period as may be specified in the evidence of an award) prior to the commencement of such detrimental activity, or during or after the detrimental activity that the participant has disposed of, if so provided in the evidence of award for such grant and in the sole and complete discretion of the Company, the participant will pay to STERIS in cash the difference between (i) the market value per Common Share on the date such shares were acquired or paid out and (ii) any amount actually paid therefor by the participant pursuant to the Plan.

Withholding Taxes. To the extent that STERIS is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a participant or other person under the Plan, and the amounts available to STERIS for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the participant or such other person make arrangements satisfactory to STERIS for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit.

Federal Income Tax Consequences

The following is a brief summary of some of the federal income tax consequences of certain transactions under the Plan based on federal income tax laws in effect on June 1, 2006. This summary is not intended to be complete, should not be used for individual tax planning, and does not discuss state or local tax consequences.

Non-qualified Option Rights. In general: (1) no income will be recognized by an optionee at the time a non-qualified option right is granted; (2) at the time of exercise of a non-qualified option right, ordinary income will be recognized by the optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise; and (3) at the time of sale of Common Shares acquired pursuant to the exercise of a non-qualified option right, appreciation (or depreciation) in value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

Incentive Option Rights. No income generally will be recognized by an optionee upon the grant or exercise of an incentive stock option ("ISO"). The exercise of an ISO, however, may result in alternative minimum tax liability. If Common Shares are issued to the optionee pursuant to the exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to the optionee, then upon sale of such shares, any amount realized in excess of the option price will be taxed to the optionee as a long-term capital gain and any loss sustained will be a long-term capital loss.

If Common Shares acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, the optionee generally will recognize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at the time of exercise (or, if less, the amount realized on the disposition of such shares if a sale or exchange) over the option price paid for such shares. Any further gain (or loss) realized by the participant generally will be taxed as short-term or long-term capital gain (or loss) depending on the holding period.

SARs. No income will be recognized by a participant in connection with the grant of a SAR. When the SAR is exercised, the participant normally will be required to include as taxable ordinary income in the year of exercise an amount equal to the cash or the fair market value of any unrestricted Common Shares received on the exercise.

Restricted Stock. The recipient of restricted stock generally will be subject to tax at ordinary income rates on the fair market value of the restricted stock (reduced by any amount paid by the participant for such restricted stock) at such time as the shares are no longer subject to forfeiture or restrictions on transfer for purposes of Section 83 of the Internal Revenue Code ("Restrictions"). However, a recipient who so elects under Section 83(b) of the Internal Revenue Code within 30 days of the date of transfer of the shares will have taxable ordinary income on the date of transfer of the shares equal to the excess of the fair market value of such shares (determined without regard to the Restrictions) over the purchase price, if any, of such restricted stock. If a Section 83(b) election has not been made, any dividends received with respect to restricted stock that is subject to the Restrictions generally will be treated as compensation that is taxable as ordinary income to the participant.

Restricted Stock Units. No income generally will be recognized upon the award of restricted stock units. The recipient of a restricted stock unit award generally will be subject to tax at ordinary income rates on the fair market value of unrestricted common shares on the date that such shares are transferred to the participant under the award (reduced by any amount paid by the participant for such restricted stock units), and the capital gains/loss holding period for such shares will also commence on such date.

Performance Shares and Performance Units. No income generally will be recognized upon the grant of performance shares or performance units. Upon payment in respect of the earn-out of performance shares or

performance units, the recipient generally will be required to include as taxable ordinary income in the year of receipt an amount equal to the fair market value of any unrestricted Common Shares received.

Section 409A of the Code. Although the Plan is intended to be compliant with the provisions of Section 409A of the Internal Revenue Code, to the extent that awards granted under the Plan are considered to provide for the deferral of compensation within the meaning of Section 409A and the rules, regulations and other guidance issued thereunder and any such award fails to comply with Section 409A, the recipient of any such award may be subject to income inclusion, interest and a 20% tax penalty as provided for under Section 409A for noncompliance.

Tax Consequences to STERIS or Subsidiary. To the extent that a participant recognizes ordinary income in the circumstances described above, STERIS or the subsidiary for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an “excess parachute payment” within the meaning of Section 280G of the Internal Revenue Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Internal Revenue Code.

Plan Benefits

It is not possible to determine specific amounts and types of awards that may be awarded in the future under the Plan because the granting of awards under the Plan is discretionary.

Section 16(a) Beneficial Ownership Reporting Compliance Based on Company records and information, including a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company, the Company believes that all filing requirements applicable to directors, executive officers, and greater than 10% shareholders under Section 16(a) of the Securities Exchange Act of 1934 for the fiscal year ended March 31, 2006, were complied with on a timely basis with the exception of the filing of one Form 4 for Mr. Raymond A. Lancaster that was filed in four business days instead of the required two business days due to administrative oversight.

Corporate Governance Generally The Company's business is managed by its employees under the oversight of the Board of Directors. Except for Mr. Vinney, none of the Board members is an employee of the Company. The Board limits membership of the Audit and Financial Policy Committee and Compensation and Corporate Governance Committee to independent non-management directors.

The Board of Directors has established Governance Guidelines that, along with the charters of the Board committees, the Company's Code of Business Conduct for Employees and the Director Code of Ethics, provide the framework for the governance of the Company. The Board of Directors has charged the Compensation and Corporate Governance Committee with helping the Company to remain in the forefront of good corporate governance. The Compensation and Corporate Governance Committee is responsible for periodically reviewing the Company's written governance principles and practices and for making recommendations to the Board of Directors in connection with the Company's governance principles and practices.

Complete copies of the Company's Governance Guidelines, the charters of the Board committees, the Code of Business Conduct for Employees, and the Director Code of Ethics may be found in the Investor Relations section of the Company's website at www.steris.com. Copies of these materials are also available without charge upon written request to the Secretary of the Company.

The Board believes that independent directors must comprise a substantial majority of the Board. It is expected that at least two-thirds of the Board should be independent. An independent director is one who meets the definition of independence as defined by NYSE listing requirements and rules of the SEC. A director will not be considered independent if he or she has a material relationship with the Company. Generally, the Board will not consider a director to be independent under the following circumstances:

- The director is, or has been within the last three years, an employee of the Company, or an immediate family member is, or has been within the last three years, an executive officer, of the Company;
- The director has received, or has an immediate family member who has received, during any 12-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (a) The director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (b) the director is a current employee of such a firm; (c) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (d) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time;
- The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another entity where any of the Company's present executive officers at the same time serves or served on that entity's compensation committee;
- The director is a current employee, or an immediate family member is a current executive officer, of an entity that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1,000,000, or two percent of such entity's consolidated gross revenues; or
- The director is an executive officer of a charitable organization and, within the last three years, the Company's charitable contributions in any year to the organization (exclusive of gift-match payments) exceed the greater of \$1 million or 2% of the organization's consolidated gross revenues.

Based upon the foregoing criteria, the Board of Directors has determined that the following directors and director nominees are independent: Cynthia L. Feldmann, Stephen R. Hardis, Jacqueline B. Kosecoff, Raymond A. Lancaster, Kevin M. McMullen, J. B. Richey, Mohsen M. Sohi, John P. Wareham, Loyal W. Wilson, and Michael B. Wood.

The remainder of this Section highlights select provisions contained in the Company's Governance Guidelines.

The independent directors of the Board will meet separately as a group at least every other regularly scheduled Board meeting. The Chairman (if independent) or Lead Director (if the Chairman is not independent) will assume the chair of the meetings of independent directors and assume such further tasks as set forth in the Governance Guidelines and as the independent directors may determine from time to time. As indicated above, the current Chairman has been determined to be independent.

Each member of the Board has complete and open access to the Company's management. Board members are expected to use their judgment so as to not distract the Company's management from the day-to-day operation of the Company. The Board and each committee have the authority to obtain advice, reports or opinions from internal and external counsel and expert advisors and have the power to hire independent legal, finance and other advisors as they may deem necessary, without consulting with, or obtaining approval from, any officer of the Company in advance.

The Board also has imposed upon itself a requirement to conduct an annual self-evaluation to assess the effectiveness of the Board. The Chairman (or Lead Director, if the Chairman is not independent) will coordinate

the Board self-evaluation and the results thereof will be discussed with the full Board. The purpose of these self-evaluations is to increase the effectiveness of the Board and each committee, as well as their individual members. Changes in Board compensation, if any, are to be evaluated and recommended by the Compensation and Corporate Governance Committee, but with the concurrence of the full Board.

All new directors will be provided an orientation to acquaint them with the Company's business, strategies, long-range plans, financial statements, the Governance Guidelines, and the Director Code of Ethics. The orientation may also introduce new directors to the Company's senior management, its internal auditor, and its independent auditor. In addition, from time to time, directors will receive information and updates on legal and regulatory changes that affect the Company, its employees and the operation of the Board. The Compensation and Corporate Governance Committee will from time to time make other recommendations regarding further educational opportunities for directors.

In order to effectively oversee the management of the Company, all directors are expected to attend Board meetings and meetings of committees of which they are members. In discharging this oversight obligation, directors may reasonably rely on the integrity of the Company's management and independent auditor. Directors who attend less than 75% of Board meetings and meetings of committees of which they are members for two consecutive years will be subject to assessment by the Board to determine continued eligibility for directorship.

The Board of Directors encourages all of its members to attend the Annual Meeting of Shareholders. All of the Company's current directors were present at the Company's 2005 Annual Meeting of Shareholders.

**Board Meetings
And Committees**

The Company's Board of Directors met fifteen times during the fiscal year ended March 31, 2006. The Board of Directors has established three standing committees of the Board — the Audit and Financial Policy Committee, the Compensation and Corporate Governance

Committee, and the Compliance Committee. Each committee charter may be found on the Company's website at www.steris.com. A copy of each charter will also be made available upon a request sent to the Company's Secretary.

Ms. Feldmann and Messrs. Hardis and Wilson are the current members of the Audit and Financial Policy Committee. The Audit and Financial Policy Committee provides oversight relating to the Company's financial statements and financial reporting process, its systems of internal accounting and financial controls, the internal audit process, the annual independent audit process of the Company's annual financial statements, and the Company's investment and financial policies and related matters. SEC rules provide that only a person who meets certain independence criteria may serve on the audit committee of a public company. The Board has determined that Ms. Feldmann and Messrs. Hardis and Wilson each meet those independence criteria for audit committee members and that all such members also are independent within the meaning of the NYSE listing standards. The Board also has determined that each of Ms. Feldmann and Messrs. Hardis and Wilson is financially literate within the meaning of the NYSE listing standards. The Board has further determined that Mr. Hardis satisfies the definition of audit committee financial expert under the Securities Exchange Act of 1934 Act. The Audit and Financial Policy Committee met eleven times during the last fiscal year. A copy of the Audit and Financial Policy Committee's charter may be found on the Company's website at www.steris.com. A copy will also be made available upon a request sent to the Company's Secretary.

Messrs. McMullen, Lancaster and Wareham and Dr. Sohi are the current members of the Compensation and Corporate Governance Committee. The Compensation and Corporate Governance Committee is responsible for the Company's compensation philosophy for senior management, including review, approval and/or recommendations concerning the compensation of the President and Chief Executive Officer and other executive officers, as described in more detail below, and the directors. In addition, it makes recommendations to the Board of Directors concerning the composition, structure and operation of the Board and Board nominee recommendations, in this respect performing nominating committee functions. Finally, it develops and recommends to the Board corporate governance principles for the Company and oversees the process for evaluation of the Board and senior management. All members of the Compensation and Corporate Governance Committee are independent, within the meaning of the NYSE listing standards, and have no interlocking relationships with the Company, within the meaning of SEC rules. The Compensation and Corporate Governance Committee met six times during the last fiscal year. A copy of the Compensation and Corporate Governance Committee's charter may be found on the Company's website at www.steris.com. A copy will also be made available upon a request sent to the Company's Secretary.

Mr. Richey and Drs. Kosecoff and Wood are the current members of the Compliance Committee. The Compliance Committee provides oversight relating to the Company's legal and regulatory matters, compliance with applicable laws and regulations, and the development and implementation of compliance programs and policies. The Compliance Committee met three times during the last fiscal year. A copy of the Compliance Committee's charter may be found on the Company's website at www.steris.com. A copy will also be made available upon a request sent to the Company's Secretary.

Each director attended more than 75% of the aggregate of all meetings of the Board of Directors and the committees on which he or she served while in office during the last fiscal year.

**Report of Audit
and Financial
Policy Committee**

The Board of Directors of the Company has adopted a written Audit and Financial Policy Committee charter. The Audit and Financial Policy Committee has been established in accordance with the Securities Exchange Act of 1934. Based on the review and determination of the Board, members of the Audit and Financial Policy Committee meet the financial literacy and independence criteria to serve on the audit committee of a public company.

The Audit and Financial Policy Committee has reviewed and discussed with the Company's management and Ernst & Young LLP, the Company's independent registered public accounting firm, the audited financial statements of the Company contained in the Company's Annual Report on Form 10-K for the year ended March 31, 2006. The Audit and Financial Policy Committee has also discussed with the Company's independent registered public accounting firm the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, *Communication with Audit Committees*).

The Audit and Financial Policy Committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (titled "Independence Discussions with Audit Committees"), and has discussed with Ernst & Young LLP their independence. The Audit and Financial Policy Committee has also concluded that Ernst & Young LLP's provision of non-audit services to the Company is compatible with their independence.

Based on the review and discussions referred to above, the Audit and Financial Policy Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2006 filed with the Securities and Exchange Commission.

Board Compensation

Each director who is not an employee of the Company is paid a retainer of \$24,000 per year (\$75,000 for the Chairman of the Board), plus \$1,000 for each Board meeting attended and \$500 (\$1,000 for the committee chairman) for each committee meeting attended. At the beginning of each annual term of service on the Board, approximately \$14,000 of the annual retainer is paid in Restricted Common Shares and the balance of

approximately \$10,000 (\$61,000 for the Chairman of the Board) is paid in cash. In addition, each director automatically receives a stock option for 10,000 of the Company's Common Shares (15,000 for the Chairman of the Board), which may be exercised no earlier than six months after the date of grant and no later than ten years and one month after the date of grant with an option price equal to the fair market value of the Common Shares as of the date of the grant. The Restricted Common Shares that have not vested are subject to forfeiture if the director does not serve for a full year following grant of those shares. All directors are reimbursed for certain expenses in connection with attendance at Board and committee meetings.

Employment and Change of Control Agreements

STERIS is a party to certain agreements relating to employment with the Named Executive Officers.

Agreement with Mr. Vinney. Mr. Vinney and the Company are parties to an employment agreement that generally provides that Mr. Vinney is to serve as President and Chief Executive Officer of the Company with a base salary of not less than \$575,000 per year, is to be a participant in incentive compensation arrangements with provisions similar to those applicable to other senior executives, is to be eligible for option grants in accordance with the Company's general practices with respect to executive compensation and is to receive the same types of benefits made available to other executives of the Company, including among others medical and dental benefits, an auto allowance and reimbursement of certain membership dues.

Change of Control Agreements. STERIS is a party to change of control agreements with all of the Named Executive Officers. Except in the case of Mr. Vinney, the agreements generally provide that if, at any time within two years after the occurrence of a change of control, the officer's employment is terminated by STERIS (except for cause, disability, or death) or the officer terminates employment because the officer's base salary or bonus participation is reduced or relocation is made a condition of the officer's employment, STERIS will pay to the officer a lump sum severance benefit equal to three years compensation (base salary and average annual incentive compensation). Each such change of control agreement also provides a three-month period, commencing on the first anniversary of the change of control, during which the officer may voluntarily resign and receive a lump sum severance benefit equal to two years compensation (base salary and average annual incentive compensation) if, at any time before the officer's resignation, the officer determines in good faith that (a) the officer's position, responsibilities, duties, or status with STERIS are materially changed from those in effect before the change of control, (b) the officer's reporting relationships with superior executive officers have been materially changed from those in effect before the change of control, or (c) the officer's career prospects have been in any way diminished as a result of the change of control.

Under his change of control agreement, Mr. Vinney will be able to terminate his employment and be entitled to a lump sum payment equal to three years compensation (base salary and average annual incentive compensation) if, at any time within two years after a change of control, he determines in good faith that he is unable to carry out the authorities, powers, functions, responsibilities, or duties that he formerly had in his positions and offices at STERIS before the change of control, in the same manner as he was able to do before the change of control. Mr. Vinney would also be entitled to these same benefits if his employment were terminated by STERIS within two years after a change of control for any reason other than cause, death, or disability.

An officer who is entitled to a lump sum severance benefit (whether equal to three years or two years of compensation) under a change of control agreement will also be paid (a) accrued base salary and vacation pay through the date of termination, (b) payments under the Management Incentive Compensation Plan (or other applicable incentive compensation plan) for the last completed fiscal year, if not already paid, and for the pro rata portion of the current fiscal year, and (c) the cost of continuing health benefits through the third anniversary (or the second anniversary, depending upon whether the lump sum payment is equal to three or two years of compensation) of the termination date or, if earlier, the date the officer secures other employment. In addition, if any payment to an officer exceeds the limit specified in Section 280G of the Internal Revenue Code, each change of control agreement provides for a tax gross-up so that the officer will receive the same after-tax payment as would have been the case if Section 280G did not apply. For purposes of the change of control agreements, "cause" includes conviction of a felony, dishonesty in the course of employment that is inimical to the best interests of STERIS, unreasonable neglect of the officer's duties and responsibilities, or competing with STERIS.

Retention Agreement. The Company and Dr. Burke are parties to an executive retention agreement which generally provides that, for the term of the agreement, Dr. Burke will receive a base salary of not less than \$24,167 per month and eligibility to participate in the Company's cash bonus plan, benefit plans and stock option programs. If Dr. Burke's employment with the Company is terminated prior to the third anniversary of the agreement (or, if extended, prior to the third anniversary of the extension) by the Company without "cause" or by Dr. Burke for "good reason" (as those terms are defined in the agreement), Dr. Burke will be entitled to receive, subject to the conditions of the agreement, (a) his then-current salary for the number of months remaining from the date of his termination to the date of the third anniversary of the agreement or any extension thereof, as applicable, or twelve months, whichever is greater, and (b) continuation of medical and dental benefits for such period and a pro-rated bonus to the extent earned.

Report of Compensation and Corporate Governance Committee Regarding Executive Compensation

The responsibilities of the Compensation and Corporate Governance Committee in respect of executive compensation include:

1. Approval of a compensation philosophy for senior management of the Company.
2. Review and approval, at least annually, of corporate goals and objectives relevant to the compensation of the President and Chief Executive Officer and review and evaluation of compensation actions, corporate goals, and performance objectives affecting members of the Company's senior management, based on recommendations of the President and Chief Executive Officer.
3. Provision of recommendations to the Board with respect to the approval, adoption and amendment of all cash- and equity-based incentive compensation plans in which any executive officer participates.
4. Provision of recommendations to the Board with respect to approval, adoption and amendment of all other equity-based plans and oversight of the Company's equity-based incentive compensation plans and other plans adopted by the Board that contemplate oversight by the Committee, including, without limitation, approval of the grant of all stock options or other incentive compensation.

Executive Compensation Program

The objective of the Company's compensation program for senior management is to attract and retain highly qualified talent, to motivate these individuals to achieve the Company's strategic and financial goals and to link executive compensation closely to corporate performance and returns to shareholders. The Company's executive compensation program is comprised primarily of base salary, annual incentive compensation and long-term incentive compensation, and reflects consideration of the competitive market median. A significant portion of an executive's compensation is in the form of annual cash incentives, based on achievement of specified annual performance goals. A significant portion of an executive's compensation is also provided in the form of long-term equity incentives (currently stock option awards) and therefore depends on the long-term performance of the Company as reflected in the performance of the Company's Common Shares. By virtue of these two components, the majority of the compensation opportunity of the President and Chief Executive Officer, as well as that of the other Named Executives Officers, is at risk because it is tied to individual, Company and stock price performance.

Annual Compensation Review

Each year the Compensation and Corporate Governance Committee conducts a full review of the Company's executive compensation program for the purpose, among others, of setting the level of base salary and annual incentive compensation opportunities and goals for the President and Chief Executive Officer, making recommendations for the other executive officers, and granting equity incentives to the President and Chief Executive Officer and other executive officers. In making these decisions, the Compensation and Corporate Governance Committee considers, among other factors, the recommendations of the President and Chief Executive Officer as to other executive officers and a comprehensive report on competitive market compensation data from an outside compensation consulting firm as to all executive officers. The compensation consulting firm is hired by and reports directly to the Compensation and Corporate Governance Committee.

For senior executives other than the President and Chief Executive Officer, the report includes, among other matters, comparisons of each executive's base salary, incentive compensation opportunities and stock options, to those provided in the marketplace for comparable positions in U.S. companies of roughly comparable size or profile to the Company. The surveys utilized have been conducted by several leading compensation consulting firms and consist of general industry data from U.S. companies.

In the case of the President and Chief Executive Officer, the report includes an analysis and comparisons of Mr. Vinney's base salary, incentive compensation opportunities and stock options to that provided to Chief

Executive Officers of other companies examined and analyzed by the consultant. For purposes of these compensation comparisons, the consultant analyzed data from two groups of companies: general industry U.S. companies and peer group companies (healthcare equipment) that are included in the Dow Jones U.S. Medical Supply and S&P Health Care Indices.

Elements of Compensation

Currently, the key elements of the Company's executive compensation program are base salary, annual incentive compensation and long-term equity incentives in the form of stock options. While the elements of compensation are considered separately, the Compensation and Corporate Governance Committee also considers the complete compensation package provided by the Company to the individual executive to assess its effectiveness in motivating the executive, and its competitiveness to comparable positions, as reflected in the report.

Base salaries for each executive officer are determined by evaluating the responsibilities of the position, the competitive marketplace and the executive's individual performance.

Annual cash incentive compensation payments under the Company's incentive compensation plans are generally based on the achievement of financial goals, as well as achievement of individual objectives. For fiscal 2006, the financial goals for the Named Executives officers (other than Mr. Vinney-see below) were based on Company revenues (or in the case of Messrs. Immel and Reis, a combination of Company and segment revenues and margins), Company free cash flow and Company earnings before interest and taxes (EBIT). In addition, to receive the incentive compensation payments, executives other than the President and Chief Executive Officer also were required to achieve individual performance objectives. Incentive compensation goals, objectives and award opportunities for each executive officer are fixed at the beginning of the fiscal year and based on the responsibilities of the officer's position and the competitive marketplace.

The purpose of the Company's equity plans is to provide a reward for performance and to align a portion of compensation with shareholder value. Currently, these equity incentives generally take the form of non-qualified stock options under the Company's stock option plans. In keeping with their long-term nature, options generally vest over four years, although they may be eligible for accelerated vesting in limited circumstances. All stock options granted to the President and Chief Executive Officer and to the other Named Executive Officers during fiscal 2006 had four-year time-based vesting.

The guidelines used in fiscal 2006 by the Committee in making stock option grants to executive officers of the Company included consideration of the duties and responsibilities of the individual, equity awards made to individuals in comparable positions in the competitive marketplace and the individual's performance for fiscal 2005. In granting stock options and other equity awards, the Compensation and Corporate Governance Committee also considered the number of options and other equity awards previously granted and the number of shares available for current and future option grants and awards.

Chief Executive Officer Compensation

For fiscal 2006, the Compensation and Corporate Governance Committee set Mr. Vinney's base salary at \$715,000 per annum, having determined that this level of base salary was appropriate in view of his responsibilities and the competitive marketplace.

Similarly, Mr. Vinney's targeted incentive compensation opportunity for fiscal 2006 was fixed at a level the Committee determined to be competitive. Mr. Vinney's financial objectives for fiscal 2006 were based on revenue, free cash flow and EBIT. Although certain targeted financial objectives were not reached, primarily because of one-time charges relating to the transfer of the Erie manufacturing operations to Mexico and the divestiture of the freeze dryer product line, the Compensation and Corporate Governance Committee approved a cash bonus for Mr. Vinney of \$140,000 for fiscal 2006 based on the positive impact these strategic actions are expected to have for the longer-term best interests of the Company, and on performance achieved or exceeded relative to other financial and non-financial objectives.

Under the terms of its charter, the Compensation and Corporate Governance Committee is required to consider, with respect to the long-term incentive component of Chief Executive Officer compensation, among other things, the Company's performance and relative shareholder return, the value of similar awards to Chief Executive Officers at comparable companies and the awards given to the Company's Chief Executive Officer in past years. In light of the Company's financial results for fiscal 2005 and the value of awards made to Chief Executive Officers at comparable companies, on May 16, 2005, the Committee granted Mr. Vinney a nonqualified stock option to purchase 90,000 Common Shares at the then current market price of \$24.45 per share.

Section 162(m) Policy

Section 162(m) of the Internal Revenue Code prevents a publicly-traded corporation from taking a tax deduction for certain compensation in excess of \$1 million per year that it or any subsidiary pays to specified executives. Those specified executives are the Chief Executive Officer and the four other most highly paid employees serving as executive officers of the corporation at the end of the fiscal year. Subject to various conditions, compensation that is contingent on the attainment of performance goals is excluded from the deduction limit and is therefore deductible without regard to the \$1 million limit.

Under the terms of its Charter, the Compensation and Corporate Governance Committee is responsible, in consultation with the appropriate employees of the Company, for overseeing any compensation programs intended to preserve tax deductibility, and, as may be required, establishing performance goals and determining whether performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code. The general position of the Compensation and Corporate Governance Committee with respect to Section 162(m) is that the Company will seek to qualify compensation paid to its executive officers in such a way as to satisfy the conditions of Section 162(m) where it appears to the Compensation and Corporate Governance Committee to be in the best interests of the Company to do so. In this regard, the Company sought and received approval from the shareholders of the Senior Executive Management Incentive Compensation Plan in order to qualify compensation paid pursuant to this plan for the exclusion from the deduction limitation under Section 162(m). However, from time to time, there may be circumstances in which the Compensation and Corporate Governance Committee concludes that the best interests of the Company will be served by a compensation arrangement that does not satisfy those requirements and, in those circumstances, the Company may proceed without complying with the requirements of Section 162(m).

Conclusion

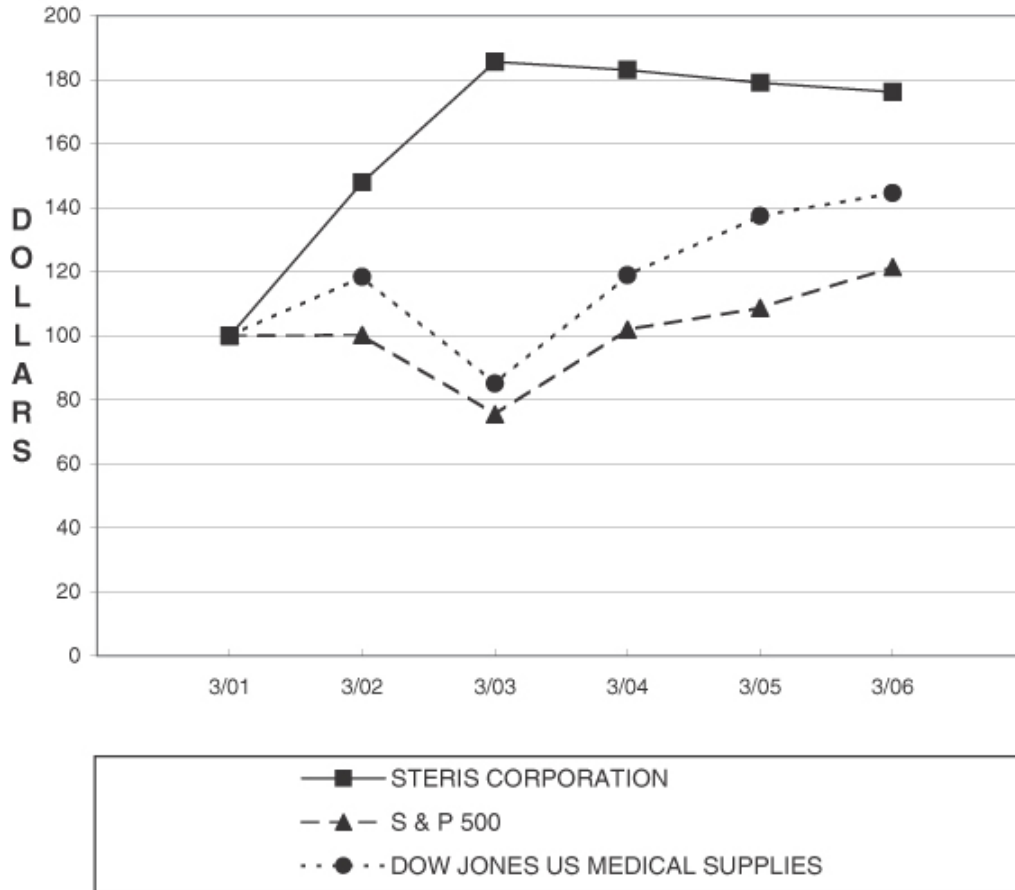

As noted above, when making its determinations as to the levels of salary, annual incentive compensation opportunities, and stock option grants to the President and Chief Executive Officer and the various other executives, the Compensation and Corporate Governance Committee considers compensation data from other companies gathered and analyzed by an outside compensation consulting firm. Taking into account that data and the need to provide competitive levels of compensation to retain and to motivate those executives to continue providing services to the Company and other relevant factors, it is the judgment of the Compensation and Corporate Governance Committee that the compensation program described above and the levels of compensation received by executive officers of the Company in or in respect of fiscal 2006 are appropriate. It also is the judgment of the Compensation and Corporate Governance Committee that through the programs described above, a very significant portion of Company's executive compensation has been linked directly to corporate performance. The Compensation and Corporate Governance Committee intends to continue linking executive compensation to corporate performance and returns to shareholders and to use compensation as a strategic tool to help drive the innovation, growth and profitability of the Company, with the goal of increasing shareholder value over time. To further support this compensation philosophy, the Compensation and Corporate Governance Committee has approved stock ownership guidelines for senior management, to be implemented in fiscal 2007, that will also align executive compensation with corporate performance and returns to shareholders.

Shareholder Nominations of Directors and Nominee Criteria

The Company's Compensation and Corporate Governance Committee will consider shareholder recommendations for candidates to be nominees for election to the Company's Board of Directors ("Director Nominees") if such recommendations are in writing and set forth the information listed below. Such recommendations must be submitted to STERIS Corporation, 5960 Heisley Road, Mentor, Ohio 44060-1834, Attention: Mark D. McGinley,

Secretary, and must be received at the Company's executive offices not less than 60 and not more than 90 days prior to the Annual Meeting of Shareholders. All shareholder recommendations for Director Nominee candidates must set forth the following information:

1. The name and address of the shareholder recommending the proposed Director Nominee for consideration as that information appears on the records of the Company, the telephone number where the shareholder can be reached during normal business hours, the number of shares owned by the shareholder, and the length of time the shares have been owned by the shareholder. If the person recommending the proposed Director Nominee is not a shareholder of record or if the shares are owned by an entity, reasonable evidence of the person's beneficial ownership of the shares or the person's authority to act on behalf of the entity;
2. Complete information as to the identity and qualifications of the proposed Director Nominee, including the full legal name, age, business and residence addresses and telephone numbers, and other contact information, the number of shares owned by the proposed Director Nominee, and the principal occupation and employment of the proposed Director Nominee, including his or her occupation for at least the past five years, with a reasonably detailed description of the background, education, professional affiliations, and business and other relevant experience (including directorships, employments, and civic activities) and qualifications of the proposed Director Nominee;
3. The reasons why, in the opinion of the recommending shareholder, the proposed Director Nominee is qualified and suited to be a director of the Company;
4. The disclosure of any relationship of the proposed Director Nominee with the Company or any of its subsidiaries or affiliates, whether direct or indirect;
5. A description of all relationships, arrangements, and understandings between the proposing shareholder and the proposed Director Nominee and any other person(s) (naming such person(s)) pursuant to which the proposed Director Nominee is being proposed or would serve as a director, if elected; and
6. A written acknowledgement by the proposed Director Nominee that he or she has consented to being considered as a nominee, has consented to the Company's undertaking of an investigation into his or her background, education, experience, and other qualifications if the Corporate Governance and Compensation Committee desires to do so, has consented to be named in the Company's proxy statement, if so determined, and has consented to serve as a director of the Company, if elected.

There are no specific minimum qualifications or specific qualities or skills that are necessary for directors of the Company to possess. In evaluating proposed Director Nominees, the Compensation and Corporate Governance Committee will consider such factors as it deems appropriate, consistent with the Company's Governance Guidelines, and other factors identified from time to time by the Board of Directors. The Compensation and Corporate Governance Committee will consider the entirety of each proposed Director Nominee's credentials. As a general matter, the Committee will consider factors such as personal and professional ethics, integrity, commitment, judgment, independence, possible conflicts of interest, experience, diversity of background, availability, comparison of the approach of incumbent members of the Board of Directors, and ability to represent the interests of all shareholders, not just those of a particular philosophy or constituency.

The Compensation and Corporate Governance Committee will consider all information provided that it deems is relevant to a proposed Director Nominee's nomination as a director of the Company. Following such consideration, the Committee may seek additional information regarding, and may request an interview with, any

proposed Director Nominee whom it wishes to continue considering. Based upon all information available to it and any interviews it may have conducted, the Committee will meet to determine whether to recommend the proposed Director Nominee to the Board of Directors. The Committee will consider proposed Director Nominees recommended by shareholders on the same basis as proposed Director Nominees from other sources, subject to the procedures described herein and in the Company's Code of Regulations.

The Compensation and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for directors. Candidates may be recommended by current members of the Board of Directors, third-party search firms or shareholders. The Compensation and Corporate Governance Committee generally does not consider recommendations for Director Nominee submitted by other constituencies. In order to preserve its impartiality, the Compensation and Corporate Governance Committee will not consider any recommendations from shareholders that are not submitted in accordance with the procedures set forth above.

Shareholder Proposals In response to matters submitted by shareholders for consideration at special or annual meetings of shareholders, the Compensation and Corporate Governance Committee shall designate one or more members of management of the Company to review properly submitted proposals and to obtain all necessary information to allow management designees to present the shareholder proposal to the Compensation and Corporate Governance Committee for further consideration. Upon submission of a shareholder proposal to the Compensation and Corporate Governance Committee, the Committee will evaluate and make recommendations, as appropriate, to the Board of Directors, with respect to the proposal. This evaluation by the Compensation and Corporate Governance Committee may include, without limitation, consideration of (a) the appropriateness of the proposal, (b) applicable requirements of the Company's Articles of Incorporation and Code of Regulations, as amended from time to time, (c) legal requirements, including requirements under applicable state corporate law, (d) whether the shareholder proposal has been submitted to shareholders for a vote, and if so, the vote received for and against the proposal, (e) the best interests of all shareholders of the Company, (f) the impact that implementation of the proposal would have on the overall operations of the Company, (g) whether the proposal would result in appropriately accomplishing the goals and objectives described in the proposal, and (h) any other considerations that the Compensation and Corporate Governance Committee may deem appropriate. The process of evaluation may include communication directly with the shareholder proponent by the Compensation and Corporate Governance Committee or the management designees, as the Compensation and Corporate Governance Committee may deem appropriate.

The deadline for shareholders to submit proposals to be considered for inclusion in the Proxy Statement for the next Annual Meeting of Shareholders is expected to be February 22, 2007. However, if the date of the 2007 Annual Meeting is changed by more than 30 calendar days from the date on which this year's meeting is held, a proposal must be received by the Company a reasonable time before the solicitation in connection with the meeting is made.

Additionally, a shareholder may submit a proposal for consideration at the next Annual Meeting of Shareholders, but not for inclusion in the Proxy Statement, if that proposal is submitted not less than 120 calendar days in advance of the anniversary of the previous year's annual meeting, which deadline will be March 28, 2007. The Company's Proxy Statement for the next Annual Meeting of Shareholders will give discretionary authority to proxy holders to vote with respect to properly submitted proposals not included in such Proxy Statement. For a proposal to be properly requested by a shareholder to be brought before the Annual Meeting of Shareholders, the shareholder must comply with all of the requirements in STERIS's Code of Regulations as the same may be amended from time to time, as well as the timeliness requirement described above.

Examples of communications that would be considered improper for submission include, without limitation, solicitations, routine customer matters, communications that do not relate, directly or indirectly, to the business of the Company and/or its subsidiaries, and communications that relate to improper or irrelevant topics.

Employees have been instructed that if they have any questions or concerns about compliance with the Company's Policies, or applicable laws and principles as outlined in the STERIS Code of Business Conduct, or are unsure of the "right thing" to do, they should talk with their supervisor, their local or Corporate Human Resources department personnel, STERIS's Director of Internal Audit or the STERIS Legal Department, or call the STERIS Ethics Line.

The STERIS Ethics Line does not replace traditional communication channels already in place. However, if Company employees have an issue regarding an ethics or compliance related matter, or have observed something that seems to be a violation of the Company's Policies, and they feel they cannot communicate effectively using existing internal Company channels, they are instructed by the Code of Business Conduct to call the STERIS Ethics Line. Reports on the STERIS Ethics Line may be made anonymously and without reprisals for matters reported in good faith.

(c) *Individual Participant Limits.* Notwithstanding anything elsewhere in this Plan to the contrary, but subject as well to the other limitations contained in this Section 3 and subject to adjustment as provided in Section 13 of this Plan:

- (i) No Participant will be granted Option Rights or Appreciation Rights, in the aggregate, for more than One Million (1,000,000) Common Shares during any calendar year.
- (ii) No Participant will be granted Restricted Stock or Restricted Stock Units that specify Management Objectives, Performance Shares, Performance Units or other awards under Section 10 of this Plan, in the aggregate, for more than Five Hundred Thousand (500,000) Common Shares (or, in the case of Performance Units, the cash equivalent thereof based on the Market Value per Share as of the Date of Grant) during any calendar year.

4. Option Rights. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may, from time to time and upon such terms and conditions as it may determine, authorize the granting to Participants of options to purchase Common Shares. A grant of Option Rights may provide for the earlier exercise of such Option Rights in the event of the retirement, death or disability of a Participant. Unless otherwise provided in the relevant Evidence of Award, each grant of Option Rights shall become immediately exercisable upon a Change in Control.

(g) Any grant of Option Rights may specify Management Objectives that must be achieved as a condition to the exercise of such rights.

(h) Option Rights granted under this Plan may be (i) options, including, without limitation, Incentive Stock Options, that are intended to qualify under particular provisions of the Code, (ii) options that are not intended so to qualify, or (iii) combinations of the foregoing. A Free-Standing Appreciation Right will be a right of the Participant to receive from the Company an amount determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, which will be expressed as a percentage of the Spread (not exceeding 100 percent) at the time of exercise.

- (i) Any grant may specify that the amount payable on exercise of an Appreciation Right may be paid by the Company in cash, in Common Shares or in any combination thereof and may either grant to the Participant or retain in the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, the right to elect among those alternatives.

Unless otherwise provided in the relevant Evidence of Award, each grant of Appreciation Rights shall become immediately exercisable upon a Change in Control.
- (v) Any grant of Appreciation Rights may specify Management Objectives that must be achieved as a condition of the exercise of such Appreciation Rights.
- (vi) Each grant of Appreciation Rights will be evidenced by an Evidence of Award, which Evidence of Award will describe such Appreciation Rights, identify the related Option Rights (if applicable), and contain such other terms and provisions, consistent with this Plan, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may approve.

(c) Any grant of Tandem Appreciation Rights will provide that such Tandem Appreciation Rights may be exercised only at a time when the related Option Right is also exercisable and at a time when the Spread is positive, and by surrender of the related Option Right for cancellation. Successive grants of Tandem Appreciation Rights may be made to the same Participant regardless of whether any Tandem Appreciation Rights previously granted to the Participant remain unexercised.

(d) Regarding Free-Standing Appreciation Rights only:

- (i) Each grant will specify in respect of each Free-Standing Appreciation Right a Base Price, which may not be less than the Market Value per Share on the Date of Grant;
- (ii) Successive grants may be made to the same Participant regardless of whether any Free-Standing Appreciation Rights previously granted to the Participant remain unexercised; and
- (iii) Except as otherwise provided herein or in an Evidence of Award, no Free-Standing Appreciation Right granted under this Plan may be exercised more than 10 years from the Date of Grant.

6. Restricted Stock. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may also authorize the grant or sale of Restricted Stock to Participants. Each such grant or sale will be subject to all of the requirements contained in, and may contain such provisions as are authorized by, the following provisions:

(a) Each such grant or sale will constitute an immediate transfer of the ownership of Common Shares to the Participant in consideration of the performance of services, entitling such Participant to voting, dividend and other ownership rights, but subject to the substantial risk of forfeiture and restrictions on transfer hereinafter referred to.

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

(c) Each such grant or sale will provide that the Restricted Stock covered by such grant or sale that vests upon the passage of time will be subject to a “substantial risk of forfeiture” within the meaning of Section 83 of the Code for a period to be determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the Date of Grant and may provide for the earlier lapse of such substantial risk of forfeiture as provided in Section 6(e) below or in the event of the retirement, death or disability of a Participant. Unless otherwise provided in the relevant Evidence of Award, all substantial risks of forfeiture or restrictions on transfer applicable to any grant of Restricted Stock shall lapse and terminate upon a Change in Control.

(d) Each such grant or sale will provide that during the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Stock will be prohibited or restricted in the manner and to the extent prescribed by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the Date of Grant (which restrictions may include, without limitation, rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture in the hands of any transferee).

(e) Any grant of Restricted Stock may specify Management Objectives that, if achieved, will result in termination or early termination of the restrictions applicable to such Restricted Stock. Each grant may specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of shares of Restricted Stock on which restrictions will terminate if performance is below, at or above the minimum or threshold level or levels, or is at or above the target level or levels, but falls short of maximum achievement of the specified Management Objectives.

(f) Any such grant or sale of Restricted Stock may require that any or all dividends or other distributions paid thereon during the period of such restrictions be automatically deferred and reinvested in additional shares of Restricted Stock, which may be subject to the same restrictions as the underlying award.

(g) Each grant or sale of Restricted Stock will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may approve. Unless otherwise directed by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, all certificates representing shares of Restricted Stock will be held in custody by the Company until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Shares.

7. Restricted Stock Units. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may also authorize the granting or sale of Restricted Stock Units to Participants. Each such grant or sale will be subject to all of the requirements contained in, and may contain such provisions as are authorized by, the following provisions:

(a) Each such grant or sale will constitute the agreement by the Company to deliver Common Shares or cash to the Participant in the future in consideration of the performance of services, but subject to the fulfillment of such conditions (which may include the achievement of Management Objectives) during the Restriction Period as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may specify. Each grant that specifies Management Objectives may further specify in respect of such Management Objectives a minimum acceptable level of achievement and may set forth a formula for determining the number of shares of Restricted Stock Units on which restrictions will terminate if performance is at or above the minimum level, but falls short of full achievement of the specified Management Objectives. In addition, any grant of such Restricted Stock Units will further specify that, before the termination or early termination of restrictions applicable to such Restricted Stock Units, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, must determine that the Management Objectives have been satisfied.

(b) Each such grant or sale may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value per Share at the Date of Grant.

(c) If the Restriction Period lapses only by the passage of time, each such grant or sale will be subject to a Restriction Period, as determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the Date of Grant, and may provide for the earlier lapse or other modification of such Restriction Period in the event of the retirement, death or disability of a Participant. Unless otherwise provided on the relevant Evidence of Award, the Restriction Period applicable to any grant of Restricted Stock Units shall lapse and terminate upon a Change in Control.

(d) During the Restriction Period, the Participant will have no right to transfer any rights under his or her award and will have no rights of ownership in the Restricted Stock Units and will have no right to vote them, but the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may at the Date of Grant, authorize the payment of dividend equivalents on such Restricted Stock Units on either a current or deferred or contingent basis, either in cash or in additional Common Shares.

(e) Each grant or sale will specify the time and manner of payment of the Restricted Stock Units that have been earned. Any grant or sale may specify that the amount payable with respect thereto may be paid by the Company in cash, in Common Shares or in any combination thereof and may either grant to the Participant or retain in the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, the right to elect among those alternatives.

(f) Each grant or sale of Restricted Stock Units will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with this Plan, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may approve.

8. Performance Shares and Performance Units. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may also authorize the granting of Performance Shares and Performance Units that will become payable to a Participant upon achievement of specified Management Objectives during the Performance Period. Each such grant will be subject to all of the requirements contained in, and may contain such provisions as are authorized by, the following provisions:

(a) Each grant will specify the number of Performance Shares or Performance Units to which it pertains, which number may be subject to adjustment to reflect changes in compensation or other factors; *provided, however*, that no such adjustment will be made in the case of an award to a Covered Employee that is designated by the Board as intended to satisfy the requirements for “qualified performance-based compensation” under Section 162(m) of the Code where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code.

(b) The Performance Period with respect to each Performance Share or Performance Unit will be such period of time as will be determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the time of grant, which may be subject to earlier lapse or other modification in the event of the retirement, death or disability of a Participant. Unless otherwise provided in the relevant Evidence of Award, the Performance Period applicable to any grant of Performance Shares or Performance Units shall lapse and terminate, and the Management Objectives applicable thereto shall be treated as having been achieved, upon a Change in Control.

(c) Any grant of Performance Shares or Performance Units will specify Management Objectives which, if achieved, will result in payment or early payment of the award, and each grant may specify in respect of such specified Management Objectives a level or levels of achievement and will set forth a formula for determining the number of Performance Shares or Performance Units that will be earned if performance is at or above the minimum level or levels, but falls short of full achievement of the specified Management Objectives. The grant

of Performance Shares or Performance Units will specify that, before the Performance Shares or Performance Units will be earned and paid, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, must determine that the Management Objectives have been satisfied.

(d) Each grant will specify the time and manner of payment of Performance Shares or Performance Units that have been earned. Any grant may specify that the amount payable with respect thereto may be paid by the Company in cash, in Common Shares or in any combination thereof and may either grant to the Participant or retain in the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, the right to elect among those alternatives.

(e) Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the Date of Grant. Any grant of Performance Units may specify that the amount payable or the number of Common Shares issued with respect thereto may not exceed maximums specified by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, at the Date of Grant.

(f) The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may at the Date of Grant of Performance Shares, provide for the payment of dividend equivalents to the holder thereof on either a current or deferred or contingent basis, either in cash or in additional Common Shares.

(g) Each grant of Performance Shares or Performance Units will be evidenced by an Evidence of Award and will contain such other terms and provisions, consistent with this Plan, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may approve.

9. Awards to Non-Employee Directors. The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting to Non-Employee Directors of Option Rights, Appreciation Rights or other awards contemplated by Section 10 of this Plan and may also authorize the grant or sale of Common Shares, Restricted Stock or Restricted Stock Units to Non-Employee Directors. Each grant of an award to a Non-Employee Director will be upon such terms and conditions as approved by the Board and will be evidenced by an Evidence of Award in such form as will be approved by the Board. Each grant will specify in the case of an Option Right an Option Price per share, and in the case of a Free-Standing Appreciation Right, a Base Price per share, which will not be less than the Market Value per Share on the Date of Grant. Except as otherwise provided herein or in the applicable Evidence of Award, each Option Right and Free-Standing Appreciation Right granted under the Plan to a Non-Employee Director will expire not more than 10 years from the Date of Grant and will be subject to earlier termination as hereinafter provided. If a Non-Employee Director subsequently becomes an employee of the Company or a Subsidiary while remaining a member of the Board, any award held under this Plan by such individual at the time of such commencement of employment will not be affected thereby. Non-Employee Directors, pursuant to this Section 9, may be awarded, or may be permitted to elect to receive, pursuant to procedures established by the Board, all or any portion of their annual retainer, meeting fees, chairman and committee chair fees or other fees in grants of awards pursuant to the preceding provisions or in Common Shares in lieu of cash.

10. Other Awards.

(a) The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may, subject to limitations under applicable law, grant to any Participant such other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Common Shares or factors that may influence the value of such shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Common Shares, purchase rights for Common Shares, awards with value and payment contingent upon performance of the Company or specified Subsidiaries, affiliates or other business units thereof or any other factors designated by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, and awards valued by reference to the book value of Common Shares or

the value of securities of, or the performance of specified Subsidiaries or affiliates or other business units of the Company. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, shall determine the terms and conditions of such awards. Common Shares delivered pursuant to an award in the nature of a purchase right granted under this Section 10 shall be purchased for such consideration, paid for at such time, by such methods, and in such forms, including, without limitation, cash, Common Shares, other awards, notes or other property, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, shall determine.

(b) Cash awards, as an element of or supplement to any other award granted under this Plan, may also be granted pursuant to this Section 10 of this Plan.

(c) The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may grant Common Shares as a bonus, or may grant other awards in lieu of obligations of the Company or a Subsidiary to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable.

11. **Termination of Service.** After a Participant's Service Termination Date, unless otherwise provided in the relevant Evidence of Award, the rules set forth in this Section 11 shall apply. All factual determinations with respect to the termination of a Participant's service that may be relevant under this Section 11 shall be made by the Board in its sole discretion or by such other person as may be authorized to make such determination pursuant to the provisions hereof, or by the person or persons to whom such authority has been delegated pursuant to the provisions hereof, in his, her or their sole discretion.

(a) **Termination Other Than Upon Qualifying Retirement, Death or Disability or for Cause.** Upon any termination of a Participant's service for any reason other than the Participant's Qualifying Retirement, disability, or death or, in the case of Participants who are Employees, other than for Cause:

- (i) Unless otherwise provided in the relevant Evidence of Award, the Participant shall have the right during the period ending three months after the Service Termination Date, but not later than the Option Expiration Date or Appreciation Right Expiration Date, as applicable, to exercise any Option Rights and Appreciation Rights that were outstanding on the Service Termination Date, if and to the same extent as those Option Rights and Appreciation Rights were exercisable by the Participant on the Service Termination Date;
- (ii) Unless otherwise provided in the relevant Evidence of Award, in the case of any Restricted Stock for which the Participant paid an Acquisition Price, the Participant shall offer for resale at the Acquisition Price to the Company each Common Share of Restricted Stock held by the Participant at the Service Termination Date with respect to which, as of that date, any restrictions, conditions, or contingencies have not lapsed; and
- (iii) Unless otherwise provided in the relevant Evidence of Award, the Participant shall forfeit each (A) Common Share of Restricted Stock for which the Participant did not pay an Acquisition Price, (B) Restricted Stock Unit, (C) Performance Share, (D) Performance Unit, and/or (E) other award granted pursuant to Section 10 hereof, in each case with respect to which, as of the Participant's Service Termination Date, any restrictions, conditions, or contingencies have not lapsed.

(b) **Qualifying Retirement.** Upon a Participant's Qualifying Retirement (as defined below):

- (i) Unless otherwise provided in the relevant Evidence of Award and so long as the Participant remains in "Good Standing" (as defined below):
 - (A) Option Rights and Appreciation Rights granted under an Evidence of Award, to the extent not already vested at the date of retirement, will continue to vest as though the Participant

remained in the service of the Company or a Subsidiary through the fifth anniversary of the date of retirement;

- (B) The Participant will be entitled to exercise vested Option Rights and Appreciation Rights granted under the relevant Evidence of Award from time to time on any date during the period (the “Extended Exercise Period”) that begins on the date of retirement and ends on the first to occur of (xxx) the expiration date of the relevant award, and (xxxi) the fifth anniversary of the date of retirement;
 - (C) If, at any time during the Extended Exercise Period, the Participant fails to remain in Good Standing, any Option Rights and Appreciation Rights granted under the relevant Evidence of Award that are then outstanding and held by the Participant shall be forfeited and of no force or effect;
 - (D) If the Participant dies during the Extended Exercise Period and while in Good Standing, the Option Rights and Appreciation Rights granted under the Evidence of Award will thereafter be exercisable to the same extent and at the same times (for so long and only so long after the Participant’s death) as if the Participant had continued in the service of the Company through the date of the Participant’s death; and
 - (E) The Participant’s rights under awards of Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units and other awards granted pursuant to Section 10 hereof shall be determined as though the Participant remained in the service of the Company through the end of the Extended Exercise Period (or, if the Participant dies during the Extended Exercise Period, through the date of the Participant’s death).
- (ii) For the purposes of this Section 11, a Participant will cease to remain in “Good Standing” during his or her Extended Exercise Period if he or she engages or has engaged in any Detrimental Activity or commits or has committed a material violation of any applicable provision of any Company policy or of any Evidence of Award or other agreement with the Company or a Subsidiary or if, at any time during the Extended Exercise Period, he or she otherwise acts in a manner detrimental to the interests of the Company or any of its Subsidiaries, including but not limited to, in the case of a Participant who is a Non-Employee Director, directly or indirectly materially competing with the Company or any of its Subsidiaries.
- (iii) For the purposes of this Section 11, “Qualifying Retirement” means that a Participant terminates service with the Company (A) with the consent of or under guidelines approved by the Board, or the Chief Executive Officer or his delegatee or delegates, if applicable pursuant to Section 12(d) of this Plan, without having engaged in any Detrimental Activity, (B) before the expiration date of the relevant award, (C) after having attained age 55, and (D) after having been in the service of the Company for at least five consecutive years. Unless otherwise determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, the Participant will be deemed to have “been in the service of the Company for at least five consecutive years” only if the Participant was in the active service of the Company and/or one or more Subsidiaries, on a full-time basis in the case of a Participant who is an Employee, throughout the five year period ending on the Service Termination Date.
- (c) **Termination Due to Disability.** Upon any termination of a Participant’s service due to disability:
- (i) Unless otherwise provided in the relevant Evidence of Award, the Participant, or the Participant’s Representative, shall have the right (1) to exercise, from time to time during the period ending one year after the Service Termination Date, but not later than the Option Expiration Date or Appreciation Right Expiration Date, as applicable, any Nonqualified Stock Options and

Appreciation Rights that were outstanding on the Service Termination Date, if and to the same extent those Option Rights and Appreciation Rights were exercisable by the Participant on the Service Termination Date, and (2) to exercise, from time to time during the period ending one year after the Service Termination Date, but not later than the Option Expiration Date, any Incentive Stock Options that were outstanding on the Service Termination Date, if and to the same extent as those Option Rights were exercisable by the Participant on the Service Termination Date (even though exercise of the Incentive Stock Option more than three months after the Service Termination Date may cause the Option Right to fail to qualify for Incentive Stock Option treatment under the Code);

- (ii) Unless otherwise provided in the relevant Evidence of Award, in the case of any Restricted Stock for which the Participant paid an Acquisition Price, the Participant, or the Participant's Representative, shall offer for resale at the Acquisition Price to the Company each Common Share of Restricted Stock held by the Participant at the Service Termination Date with respect to which, as of that date, any restrictions, conditions, or contingencies have not lapsed; and
- (iii) Unless otherwise provided in the relevant Evidence of Award, the Participant shall forfeit each (A) Common Share of Restricted Stock for which the participant did not pay an Acquisition Price, (B) Restricted Stock Unit, (C) Performance Share, (D) Performance Unit, and/or (E) other award granted pursuant to Section 10 hereof, in each case with respect to which, as of the Participant's Service Termination Date, any restrictions, conditions, or contingencies have not lapsed.

(d) **Death of an Employee.** Upon the death of a Participant while in the service of the Company or any Subsidiary or within any of the periods referred to in any of Sections 11(a), 11(b), or 11(c):

- (i) Unless otherwise provided in the relevant Evidence of Award (in which a different period of extension of the Option Expiration Date or Appreciation Right Expiration Date, as applicable, in the event of the death of the Participant may be specified), if the Option Expiration Date or Appreciation Right Expiration Date, as applicable, of any Nonqualified Stock Option or Appreciation Right that had not expired before the Participant's death would otherwise expire before the first anniversary of the Participant's death, that Option Expiration Date or Appreciation Right Expiration Date, as applicable, shall automatically be extended to the first anniversary of the Participant's death;
- (ii) Unless otherwise provided in the relevant Evidence of Award, any Option Rights and Appreciation Rights that are outstanding on the date of the Participant's death shall become immediately exercisable in full and the Participant's Representative shall have the right to exercise any or all of those Option Rights and Appreciation Rights in accordance with Section 4(f) (as to any Option Rights) or Section 5(b) (as to any Appreciation Rights), from time to time during the period ending on the first anniversary of the Participant's death.
- (iii) Unless otherwise provided in the relevant Evidence of Award, the restrictions, conditions, or contingencies on any (A) Restricted Stock, (B) Restricted Stock Units, (C) Performance Shares, (D) Performance Units, and/or (E) any other award granted pursuant to Section 10 hereof held by the Participant at the date of death shall be modified in such manner as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may specify to give the Participant's Representative the benefit of those awards through that date.

(e) **Termination for Cause.** Upon any termination of service for Cause of a Participant who is an Employee, and unless otherwise provided in the relevant Evidence of Award:

- (i) All of the Participant's rights with respect to unexercised Option Rights and Appreciation Rights shall expire immediately before the Service Termination Date;

- (ii) In the case of any Restricted Stock for which the Participant paid an Acquisition Price, the Participant shall offer for resale at the Acquisition Price to the Company all Restricted Stock held by the Participant at the Service Termination Date with respect to which, as of that date, any restrictions, conditions, or contingencies have not lapsed; and
- (iii) The Participant shall forfeit all (A) Common Shares of Restricted Stock for which the Participant did not pay an Acquisition Price, (B) Restricted Stock Units, (C) Performance Shares, (D) Performance Units and (E) any other awards granted pursuant to Section 10 hereof, in each case with respect to which, as of the Participant's Service Termination Date, any restrictions, conditions, or contingencies have not lapsed.

For the avoidance of doubt, the provisions of this Section 11(e) do not apply to any Participant who was a Non-Employee Director immediately prior to his or her Service Termination Date.

12. Administration of the Plan.

(a) Except as set forth in Section 12(d) of this Plan, this Plan will be administered by the Board of Directors of the Company, which may from time to time delegate all or any part of its authority under this Plan to the Compensation and Corporate Governance Committee of the Board of Directors of the Company or any other Committee of the Board of Directors of the Company (or a subcommittee thereof), as constituted from time to time.

(b) The interpretation and construction by the Board, or the Chief Executive Officer or his delegatee or delegates, if applicable, of any provision of this Plan or of any agreement, notification or document evidencing the grant of Option Rights, Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units or other awards pursuant to Section 10 of this Plan and any determination by the Board, or the Chief Executive Officer or his delegatee or delegates, if applicable, pursuant to any provision of this Plan or of any such agreement, notification or document, will be final and conclusive.

(c) The Board may delegate to one or more of its members or to one or more officers of the Company, or to one or more agents or advisors, such administrative duties or powers as it may deem advisable, and the Board or any person to whom duties or powers have been delegated as aforesaid, may employ one or more persons to render advice with respect to any responsibility the Board or such person may have under the Plan. The Board may, by resolution, authorize the Chief Executive Officer (or his delegatee or delegates) to do one or both of the following on the same basis as the Board: (i) designate employees to be recipients of awards under this Plan; (ii) determine the size of any such awards; *provided, however*, that (A) the Board shall not so delegate such responsibilities for awards granted to an individual who is a Director or an "officer" (as defined in Rule 16a-1(f) promulgated under the Exchange Act, or in any successor to such rule) of the Company or any person subject to Section 162(m) of the Code; and (B) the resolution providing for such authorization sets forth the total number of Common Shares the Chief Executive Officer (or his delegatee or delegates) may grant; and (iii) the Chief Executive Officer (or his delegatee or delegates) shall report periodically to the Board regarding the nature and scope of the awards granted pursuant to the authority delegated.

(d) Notwithstanding anything to the contrary, other than Section 12(c) hereof to which this Section 12(d) is subject, all interpretations, conclusions or determinations with respect to any provisions of this Plan or of any related agreement, notification or document, and all factual determinations, including but not limited to determinations made pursuant to Sections 11 and 15 of this Plan and determinations regarding "Cause" and "Detrimental Activity" and "Good Standing" and "Qualifying Retirement" (i) shall be made by the Board, with respect to the Chief Executive Officer, all other "officers" (as defined in Rule 16a-1(f) promulgated under the Exchange Act, or in any successor to such rule), all persons subject to Section 162(m) of the Code and all Directors; *provided, however*, that any Director whose specific rights under the Plan are the subject of any interpretation, conclusion or determination by the Board shall not take part in or contribute to such interpretation,

conclusion or determination, and (ii) with respect to all Participants other than the individuals described in clause (i) of this sentence, shall be made by the Board or by the Chief Executive Officer or his delegatee or delegates; *provided, however*, that in the event of any conflict between a determination made by the Board and a determination made by the Chief Executive Officer or his delegatee or delegates, the determination of the Board shall control.

13. Adjustments. The Board may make or provide for such adjustments in the numbers of Common Shares covered by outstanding Option Rights, Appreciation Rights, Restricted Stock Units, Performance Shares and Performance Units granted hereunder and, if applicable, in the number of Common Shares covered by other awards granted pursuant to Section 10 hereof, in the Option Price and Base Price provided in outstanding Option Rights and Appreciation Rights, and in the kind of shares covered thereby, as the Board, in its sole discretion may determine is equitably required to prevent dilution or enlargement of the rights of Participants or Optionees that otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, or (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, in the event of any such transaction or event or in the event of a Change in Control, the Board, in its discretion, may provide in substitution for any or all outstanding awards under this Plan such alternative consideration (including cash), if any, as it may determine to be equitable in the circumstances and may require in connection therewith the surrender of all awards so replaced. The Board may also make or provide for such adjustments in the numbers of shares specified in Section 3 of this Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described in this Section 13; *provided, however*, that any such adjustment to the number specified in Section 3(b)(i) will be made only if and to the extent that such adjustment would not cause any option intended to qualify as an Incentive Stock Option to fail so to qualify.

14. Change in Control. For purposes of this Plan, except as may be otherwise prescribed by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, in an Evidence of Award made under this Plan, a "Change in Control" shall be deemed to have occurred upon the occurrence of any of the following events:

(a) any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a "Person") is or becomes the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 25% or more of the combined voting power of the then-outstanding Voting Stock of the Company; *provided, however*, that:

- (i) for purposes of this Section 13(a), the following acquisitions shall not constitute a Change in Control: (A) any acquisition of Voting Stock of the Company directly from the Company that is approved by a majority of the Incumbent Directors, (B) any acquisition of Voting Stock of the Company by the Company or any Subsidiary, (C) any acquisition of Voting Stock of the Company by the trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by the Company or any Subsidiary, and (D) any acquisition of Voting Stock of the Company by any Person pursuant to a Business Transaction that complies with clauses (i), (ii) and (iii) of Section 14(c) below;
- (ii) if any Person is or becomes the beneficial owner of 25% or more of combined voting power of the then-outstanding Voting Stock of the Company as a result of a transaction described in clause (A) of Section 14(a)(i) above and such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Company representing 1% or more of the then-outstanding Voting Stock of the Company, other than in an acquisition directly from the Company that is approved by a majority of the Incumbent Directors or other than as a result of a stock dividend, stock split or similar transaction effected by the Company in which all holders of Voting Stock are treated equally, such subsequent acquisition shall be treated as a Change in Control;

- (iii) a Change in Control will not be deemed to have occurred if a Person is or becomes the beneficial owner of 25% or more of the Voting Stock of the Company as a result of a reduction in the number of shares of Voting Stock of the Company outstanding pursuant to a transaction or series of transactions that is approved by a majority of the Incumbent Directors unless and until such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Company representing 1% or more of the then-outstanding Voting Stock of the Company, other than as a result of a stock dividend, stock split or similar transaction effected by the Company in which all holders of Voting Stock are treated equally; and
- (iv) if at least a majority of the Incumbent Directors determine in good faith that a Person has acquired beneficial ownership of 25% or more of the Voting Stock of the Company inadvertently, and such Person divests as promptly as practicable but no later than the date, if any, set by the Incumbent Board a sufficient number of shares so that such Person beneficially owns less than 25% of the Voting Stock of the Company, then no Change in Control shall have occurred as a result of such Person's acquisition; or

(b) a majority of the Board ceases to be comprised of Incumbent Directors; or

(c) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of the stock or assets of another corporation, or other transaction (each, a "Business Transaction"), unless, in each case, immediately following such Business Transaction (i) the Voting Stock of the Company outstanding immediately prior to such Business Transaction continues to represent (either by remaining outstanding or by being converted into Voting Stock of the surviving entity or any parent thereof), more than 50% of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction (including, without limitation, an entity which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries), (ii) no Person (other than the Company, such entity resulting from such Business Transaction, or any employee benefit plan (or related trust) sponsored or maintained by the Company, any Subsidiary or such entity resulting from such Business Transaction) beneficially owns, directly or indirectly, 25% or more of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction, and (iii) at least a majority of the members of the Board of Directors of the entity resulting from such Business Transaction were Incumbent Directors at the time of the execution of the initial agreement or of the action of the Board providing for such Business Transaction; or

(d) approval by the shareholders of the Company of a complete liquidation or dissolution of the Company, except pursuant to a Business Transaction that complies with clauses (i), (ii) and (iii) of Section 14(c).

15. Detrimental Activity. Any Evidence of Award may provide that if a Participant, either during service with the Company or a Subsidiary or within a period of two years (or such other period as may be specified in the Evidence of Award) after termination of such service, shall engage in any Detrimental Activity, and the Board, or the Chief Executive Officer or his delegatee or delegates, if applicable, shall so find, forthwith upon notice of such finding, the Participant shall:

(a) Forfeit any award granted under the Plan then held by the Participant;

(b) In the sole and complete discretion of the Company, return to the Company, in exchange for payment by the Company of any amount actually paid therefor by the Participant, all Common Shares that the Participant has not disposed of that were offered, acquired or paid out pursuant to or in connection with this Plan within a period of two years (or such longer period as may be specified in an Evidence of Award) prior to the date of the commencement of such Detrimental Activity or during or after the Detrimental Activity; and

(c) In the sole and complete discretion of the Company, with respect to any Common Shares so acquired or paid out that the Participant has disposed of within a period of two years (or such longer period as may be

specified in an Evidence of Award) prior to the date of the commencement of such Detrimental Activity or during or after such Detrimental Activity, pay to the Company in cash the difference between:

- (i) Any amount actually paid therefor by the Participant pursuant to this Plan, and
- (ii) The Market Value per Share of the Common Shares on the date the Common Shares were acquired or paid out.

(d) To the extent that such amounts are not paid to the Company, the Company may set off the amounts so payable to it against any amounts that may be owing from time to time by the Company or a Subsidiary to the Participant, whether as wages, retainer fees, deferred compensation or vacation pay or in the form of any other benefit or for any other reason.

The remedies set forth in this Section 15 in the event that a Participant engages in a Detrimental Activity shall be in addition to any and all other remedies that the Company may have against the Participant in that event and shall not be deemed exclusive remedies.

16. Non U.S. Participants. In order to facilitate the making of any grant or combination of grants under this Plan, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may provide for such special terms for awards to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America or who provide services to the Company under an agreement with a foreign nation or agency, as the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may approve such supplements to or amendments, restatements or alternative versions of this Plan (including, without limitation, sub-plans) as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the shareholders of the Company.

17. Transferability.

(a) Except as otherwise determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, no Option Right, Appreciation Right, Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, award contemplated by Section 9 or 10 of this Plan, or dividend equivalents paid with respect to awards made under the Plan shall be transferable by the Participant except by will or the laws of descent and distribution and, in no event shall any such award granted under the Plan be transferred for value. Except as otherwise determined by the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, Option Rights and Appreciation Rights will be exercisable during the Participant's lifetime only by him or her or, in the event of the Participant's legal incapacity to do so, by his or her guardian or legal representative acting on behalf of the Participant in a fiduciary capacity under state law and/or court supervision.

(b) The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may specify at the Date of Grant that part or all of the Common Shares that are (i) to be issued or transferred by the Company upon the exercise of Option Rights or Appreciation Rights, upon the termination of the Restriction Period applicable to Restricted Stock Units or upon payment under any grant of Performance Shares or Performance Units or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 6 of this Plan, will be subject to further restrictions on transfer.

18. Withholding Taxes. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board or the Chief Executive Officer or his delegatee or delegates, as applicable) may include relinquishment of a portion of such benefit. If a Participant's benefit is to be received in the form of Common Shares, and such Participant fails to make arrangements for the payment of tax, the Company shall withhold such Common Shares having a value equal to the amount required to be withheld. Notwithstanding the foregoing, when a Participant is required to pay the Company an amount required to be withheld under applicable income and employment tax laws, the Participant may elect, with the Company's approval, to satisfy the obligation, in whole or in part, by electing to have withheld, from the shares required to be delivered to the Participant, Common Shares having a value equal to the amount required to be withheld (except in the case of Restricted Stock where an election under Section 83(b) of the Code has been made), or by delivering to the Company other Common Shares held by such Participant. The shares used for tax withholding will be valued at an amount equal to the Market Value per Share of such Common Shares on the date the benefit is to be included in the Participant's income. In no event shall the Market Value per Share of the Common Shares to be withheld and/or delivered pursuant to this Section to satisfy applicable withholding taxes in connection with the benefit exceed the minimum amount of taxes required to be withheld. Participants shall also make such arrangements as the Company may require for the payment of any withholding tax obligation that may arise in connection with the disposition of Common Shares acquired upon the exercise of Option Rights.

19. Compliance with Section 409A of the Code.

(a) To the extent applicable, it is intended that this Plan and any grants made hereunder comply with the provisions of Section 409A of the Code. This Plan and any grants made hereunder shall be administered in a manner consistent with this intent, and any provision that would cause this Plan or any grant made hereunder to fail to satisfy Section 409A of the Code shall have no force and effect unless and until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Company without the consent of Participants). Any reference in this Plan to Section 409A of the Code will also include any proposed, temporary or final regulations, or any other guidance, promulgated with respect to such Section by the U.S. Department of the Treasury or the Internal Revenue Service.

(b) In order to determine for purposes of Section 409A of the Code whether a Participant is in the service of a member of the Company's controlled group of corporations under Section 414(b) of the Code (or by a member of a group of trades or businesses under common control with the Company under Section 414(c) of the Code) and, therefore, whether the Common Shares that are or have been purchased by or awarded under this Plan to the Participant are shares of "service recipient" stock within the meaning of Section 409A of the Code:

- (i) In applying Code Section 1563(a)(1), (2) and (3) for purposes of determining the Company's controlled group under Section 414(b) of the Code, the language "at least 50 percent" is to be used instead of "at least 80 percent" each place it appears in Code Section 1563(a)(1), (2) and (3), and
- (ii) In applying Treasury Regulation Section 1.414(c)-2 for purposes of determining trades or businesses under common control with the Company for purposes of Section 414(c) of the Code, the language "at least 50 percent" is to be used instead of "at least 80 percent" each place it appears in Treasury Regulation Section 1.414(c)-2.

20. Amendments.

(a) The Board may at any time and from time to time amend this Plan in whole or in part; *provided, however*, that if an amendment to this Plan (i) would materially increase the benefits accruing to participants

under this Plan, (ii) would materially increase the number of securities which may be issued under this Plan, (iii) would materially modify the requirements for participation in this Plan or (iv) must otherwise be approved by the shareholders of the Company in order to comply with applicable law or the rules of the New York Stock Exchange or, if the Common Shares are not traded on the New York Stock Exchange, the principal national securities exchange upon which the Common Shares are traded or quoted, then, such amendment will be subject to shareholder approval and will not be effective unless and until such approval has been obtained.

(b) Neither the Board nor the Chief Executive Officer or his delegatee or delegates, as applicable, will, without the further approval of the shareholders of the Company, authorize the amendment of any outstanding Option Right or Appreciation Right to reduce the Option Price or Base Price, as applicable. Furthermore, no Option Right or Appreciation Right will be cancelled and replaced with awards having a lower Option Price or Base Price without further approval of the shareholders of the Company. This Section 20(b) is intended to prohibit the repricing of “underwater” Option Rights and Appreciation Rights and will not be construed to prohibit the adjustments provided for in Section 13 of this Plan.

(c) If permitted by Section 409A of the Code, in case of termination of service by reason of death, disability or normal or early retirement, or in the case of unforeseeable emergency or other special circumstances, of a Participant who holds an Option Right or Appreciation Right not immediately exercisable in full, or any shares of Restricted Stock as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, or any Restricted Stock Units as to which the Restriction Period has not been completed, or any Performance Shares or Performance Units which have not been fully earned, or any other awards made pursuant to Section 10 subject to any vesting schedule or transfer restriction, or who holds Common Shares subject to any transfer restriction imposed pursuant to Section 17(b) of this Plan, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may, in its sole discretion, accelerate the time at which such Option Right, Appreciation Right or other award may be exercised or the time at which such substantial risk of forfeiture or prohibition or restriction on transfer will lapse or the time when such Restriction Period will end or the time at which such Performance Shares or Performance Units will be deemed to have been fully earned or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award, except in the case of an award to a Covered Employee that is designated by the Board as intended to satisfy the requirements for “qualified performance-based compensation” under Section 162(m) of the Code where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code.

(d) Subject to Section 20(b) hereof, the Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may amend the terms of any award theretofore granted under this Plan prospectively or retroactively, except in the case of an award to a Covered Employee that is designated by the Board as intended to satisfy the requirements for “qualified performance-based compensation” under Section 162(m) of the Code where such action would result in the loss of the otherwise available exemption of the award under Section 162(m) of the Code. In such case, no modification of the Management Objectives or the level or levels of achievement with respect to such award shall be made. Subject to Section 13 above, no such amendment shall impair the rights of any Participant without his or her consent. The Board may, in its discretion, terminate this Plan at any time. Termination of this Plan will not affect the rights of Participants or their successors under any awards outstanding hereunder and not exercised in full on the date of termination.

21. Governing Law. The Plan and all grants and awards and actions taken thereunder shall be governed by and construed in accordance with the internal substantive laws of the State of Ohio.

22. Effective Date; Effect on Existing Plans.

(a) This Plan will be effective as of the Effective Date.

(b) No grants will be made on or after the Effective Date under any of the following plans: (i) STERIS Corporation 2002 Stock Option Plan; (ii) STERIS Corporation 1998 Long-Term Incentive Stock Plan;

(iii) STERIS Corporation 1997 Stock Option Plan; (iv) STERIS Corporation 1994 Equity Compensation Plan; and (v) STERIS Corporation 1994 Nonemployee Directors Equity Compensation Plan. Notwithstanding the foregoing, outstanding options and other awards granted under the plans described in the preceding sentence will continue unaffected following the Effective Date.

23. Miscellaneous Provisions.

(a) The Company will not be required to issue any fractional Common Shares pursuant to this Plan. The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may provide for the elimination of fractions or for the settlement of fractions in cash.

(b) This Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

(c) To the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right. Such provision, however, will remain in effect for other Option Rights and there will be no further effect on any provision of this Plan.

(d) No award under this Plan may be exercised by the holder thereof if such exercise, and the receipt of cash or stock thereunder, would be, in the opinion of counsel selected by the Board, contrary to law or the regulations of any duly constituted authority having jurisdiction over this Plan.

(e) Absence on leave approved by a duly constituted officer of the Company shall not be considered interruption or termination of service of any employee for any purposes of this Plan or awards granted hereunder, except that no awards may be granted to an employee while he or she is absent on leave.

(f) No Participant shall have any rights as a stockholder with respect to any shares subject to awards granted to him or her under this Plan prior to the date as of which he or she is actually recorded as the holder of such shares upon the stock records of the Company.

(g) The Board or the Chief Executive Officer or his delegatee or delegates, as applicable, may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

(h) If any provision of this Plan is or becomes invalid or unenforceable in any jurisdiction, or would disqualify this Plan or any award under any law deemed applicable by the Board, such provision shall be construed or deemed amended or limited in scope to conform to applicable laws or, in the discretion of the Board, it shall be stricken and the remainder of this Plan shall remain in full force and effect.
