Item 8.01 Other Events.

The United States District Court for the Northern District of Ohio has issued an Order terminating the April 20, 2010 consent decree entered into by STERIS Corporation (“STERIS” or the “Company”), two Company employees and the United States. The consent decree related to U.S. Food and Drug Administration (FDA) allegations regarding the Company’s now discontinued SYSTEM 1® liquid chemical sterilization system.

District Judge Christopher A. Boyko issued the Order on July 8, 2015 terminating the consent decree, and dismissing and closing the case based upon STERIS’s unopposed motion. The motion represented, among other things, that over the past five years, the Company was in continuous compliance with the terms of the consent decree, the Federal Food, Drug, and Cosmetic Act, and all applicable laws and regulations related to its liquid chemical sterilization products. As a result, STERIS is no longer subject to any court order related to its FDA regulatory compliance.
